Subscribers in Canada should add to the yearly subscription price 36c for postage, and those in foreign countries 96c. Remittances may be made by money order, bank check, draft or registered letter.

Renewal orders if sent in promptly insure no break in the receipt of copies.

THE NORTH AMERICAN REVIEW,

171 MADISON AVENUE, NEW YORK CITY

THE LIFE OF JOHN MARSHALL

By Former Senator

ALBERT J. BEVERIDGE

In the North American Review two years ago, Professor Clarence H. Gaines wrote of the first two volumes of this great biography: "The Life of John Marshall is a book to be prized as books were prized in the old days when they were few and when the best of them stuck deep in men's minds; a book for young men to grow up with and for old men to thrill to; a book that has power to restore to those who have in a measure lost it, the sense of national character and destiny; not only of carefully sought knowledge, but a book of power." In the two final volumes (now ready) Marshall's famous achievements on the Supreme Bench are adequately described for *the first time*, and the great judicial decisions through which he moulded our entire history presented with their complete historical background. The set as a whole will indisputably take its place as one of the great American biographies, as well as the most comprehensive interpretation of the formative period of our history. Illus. Vols. III and IV boxed, \$10.00 net. The set boxed, \$20.00 net.

Readers of the North American Review who have enjoyed Mr. Thayer's chapters on Theodore Roosevelt, will be glad to know that the complete biography from which these extracts were taken, may now be obtained at any bookstore at \$5.00 net under the title "THEODORE ROOSEVELT, an Intimate Biography." To read these five hundred pages is to gain a new knowledge of this great masterbuilder of American history and of the period in which he lived.
